Poem Azkaban escape

POEM "Shed The Light"

I have been waiting for you, To come and lift my soul. To Free me from darkness, And make my life new.

I could stay Or i could not. Is it possible, to leave her, i say?

The bars have opened like always But today I have a new plan I shall escape this place next time And exit into the gloomy hallways.

I turn into a dog of night and I make sure to stay out of sight I am filled with joy, out of this land! For now, Sirius Black escaped from Azkaban.
